

Who is an Institutional Member?

Organizations that conduct biomedical research and/or generate biomedical research-based sales join NCABR as Institutional Members.

Examples

Academic institutions, government entities, nonprofit research organizations, industry (including, but not limited to, contract research organizations and pharmaceutical/biotechnology/biomanufacturing companies)

Dues

A formula is used to establish a base dues level for the first year of membership. This amount adjusts with inflation in subsequent years. Membership is valid for NCABR's fiscal year (July 1 to June 30).

Benefits of membership

- Access to NCABR member network of:
 - Public information contacts
 - Security contacts
 - Veterinary contacts
- Crisis support, including:
 - Assessment of vulnerabilities and risks
 - Development of incident reduction and response strategy
 - Support for individual researchers being targeted
 - Advice on media relations
 - Crisis planning and communications materials
- Input into development of member and advocacy programs
- Invitations to NCABR member programs and public outreach events
- Invitation to NCABR annual meeting
- Free advocacy materials
- Acknowledgement by NCABR in electronic and print collateral

DUES & REGISTRATION

INSTITUTIONAL MEMBERSHIP

1. Calculate your dues

FOR ORGANIZATIONS THAT CONDUCT BIOMEDICAL RESEARCH

\$1,100 for each \$500,000 in expenditures*
from \$0 to \$1 million \$ _____

\$1,100 for each \$3 million in expenditures*
from \$1 million to \$10 million \$ _____

\$1,200 for each \$10 million in expenditures*
exceeding \$10 million \$ _____

TOTAL DUES (add lines 1, 2 and 3)
● Minimum dues are \$1,100 \$ _____

FOR ORGANIZATIONS THAT GENERATE BIOMEDICAL RESEARCH-RELATED SALES

\$1,100 for each \$500,000 in sales
from \$0 to \$1 million \$ _____

\$1,100 for each \$3 million in sales
from \$1 million to \$10 million \$ _____

\$500 for each \$10 million in sales
exceeding \$10 million \$ _____

TOTAL DUES (add lines 1, 2 and 3)
● Minimum dues are \$1,100 \$ _____

*Health-related research and development expenditures in North Carolina only. For universities, colleges and nonprofit research institutions, this is based on externally funded, health-related research, development and testing. For all others, this is based on intramural expenditures.

2. Fill in your information

Organization name: _____

ORGANIZATIONAL KEY CONTACT

Name and professional degree(s): _____

Title: _____

Department/division: _____

Mailing address: _____

City: _____ State: _____ ZIP: _____

Phone: _____ E-mail: _____

3. Complete your registration

Mail this form and your dues payment to the North Carolina Association for Biomedical Research at the address below.

If you have any questions or would prefer to be invoiced, please contact Suzanne Wilkison, NCABR President, at 919.785.1304 x 207 or swilkison@ncabr.org.
