

Creating a STEM Mindset

Using PBL and inquiry, teachers will share how to create a STEM mindset in nontraditional areas such as English, history and the humanities. Participants will leave with ideas to immediately implement in diverse classroom environments.

Presentation Target:

High School

Presenter(s):

1. Christy Cook, Yadkin Valley Regional Career Academy – an N.C. STEM School of Distinction
2. Cindy Winters, STEM/PBL Instructional Coach, Yadkin Valley Regional Career Academy
3. Rebecca Kaserman, Teacher, Yadkin Valley Regional Career Academy
