

## SPANNING SILOS

### **STEM Funding for Your District/Institute**

Dream big! How can you implement school and district projects? Funding is available to make changes and fund new programs. This session will address how developing community and higher education partnerships can help you find the funding your district needs. This session will discuss funding sources and ways to organize your team to create a competitive grant application. Practice analyzing an RFP and developing a proposal.

### **Presentation Target:**

K-12 Administrators, STEM Coaches and Facilitators, Community College Administrators
