

HANDS-ON MINDS-ON INDUSTRIAL PRACTICES

Name of Submitter: Michelle Chadwick **Submitter Email:** michelle.chadwick@onslow.k12.nc.us

Strategic Teaching to Engage Minds

We will share best practices to increase the inclusion of problem-based, STEM technology-enhanced lessons in the science classrooms in every Onslow County Middle School. We will share how our team has incorporated community partnerships to enhance the learning and STEM enrichment opportunities for all students. Participants will experience and be given access to activities used in our eighth-grade classrooms and at community events.

Presentation Target:

Middle School

Presenter(s):

1. Michelle Chadwick, Assistant Director of Advanced Learning and STEM, Onslow County Schools
2. Kelly Dillman, STEM Coach, Onslow County Schools
