

INDUSTRY CONNECTIONS

Name of Submitter: Darrell Kain

Submitter Email: darrellkain@gmail.com

Connections and Funding, Period

Schools can be even more successful when supported by industry partners who lean into the work. This session will address how to foster strong connections for work-based learning and fundraising. These partnerships promote DEI, STEM and career exploration options for all students.

Presentation Target:

High School

Presenter(s):

1. Darrell Kain, Director, Advisory Board Activation
2. Keith Burgess, CMS teacher
