**Presentation Title: Supporting the N.C. Science Festival at Community Colleges**

Can Community Colleges help us reach all 100 counties during the N.C. Science Festival? Find out how we were able to support 26 of the 58 community colleges in 2025 and our methods for running community STEM events. We will go over our Event Planning Checklist to show the steps we take for planning and running a community event as well as describe the specific planning process, development, building and training of our SciFest kits for Community Colleges.
