

STEM FOR ALL

Name of Submitter: Karla Miner

Submitter Email: karlapfaffminer@gmail.com

Presentation Title: Full STEAM Ahead: Transforming Learning for All

Discover how our school is transforming from a STEM Center into a whole-school STEAM model, embedding creativity and collaboration across ALL subjects. This session explores our intentional shift to provide EVERY student with authentic, hands-on learning experiences that connect to real-world problems. Learn how cross-curricular integration, teacher collaboration and student voice are driving deeper engagement and equity in learning.

Presentation Target:

High School
