

HANDS-ON MINDS-ON INDUSTRIAL PRACTICES

Name of Submitter: Carol Moore

Submitter Email: cmoore@stemwest.org

Presentation Title: Do NOT Sit Down and Be Quiet!

Participants will engage with many strategies to increase student collaboration and movement in classroom instruction. Using Kagan, Project Wild, Ag in the Classroom and other resources, participants will learn strategies to create mandatory engagement through student collaboration and physical movement. Tea Parties, Birds of a Feather, Mix-Pair-Share are a few of the examples being shared.

Presentation Target:

Middle School

Presenter(s):

1. Carol Moore, President & CEO, STEM West
