

HANDS-ON MINDS-ON INDUSTRIAL PRACTICES

Name of Submitter: Heather Morton

Submitter Email: heather.morton@ncfb.org

Presentation Title: Yeehaw! Resource Roundup with North Carolina Ag in the Classroom

Learn more about North Carolina Ag in the Classroom in this session and why we believe agriculture is the original STEM! Session attendees will learn how to integrate agriculture into the elementary classroom using resources and curricula from N.C. Ag in the Classroom, and walk away with ideas you can implement in your classroom tomorrow. You will gain an appreciation for agricultural systems as we complete a fun STEM challenge. Roundup with AITC and you'll be hitting the trails of agricultural literacy in no time!

Presentation Target:

Elementary School

Presenter(s):

1. Heather Morton, N.C. Ag in the Classroom Director, N.C. Farm Bureau Federation
