

HANDS-ON MINDS-ON INDUSTRIAL PRACTICES

Name of Submitter: Christine Sudzina Schut

Email: csudzinaschut@chccs.k12.nc.us

Presentation Title: Igniting Inquiry: Student-Led STEAM in AVID

Join our AVID students for an engaging, hands-on session that showcases how inquiry-based learning and STEAM come together in our AVID classroom. Students will share their experiences as problem-solvers, collaborators and creators and then guide participants through favorite interactive activities. Walk away with practical ideas and inspiration to bring student voice, authentic inquiry and collaboration into your classroom.

Presentation Target:

Middle School

Presenter(s):

1. Christine Sudzina Schut, AVID Teacher and Site Coordinator, Culbreth Middle School
2. AVID Middle School Students
